This homework is due on Sunday November 24th at 11.59pm. Late submissions are not accepted.

Submission Guidelines:

- The complete instructions can be found in here.

  - Please print the notebook containing the answers and results into a pdf file (you can use File - Print). Submit this pdf file to the main homework entry in gradescope. Be sure to locate your answers for each problem when you submit, as ususal. In the worst case where you cannot print it into a pdf file somehow, you can create a Microsoft word document and then copy-paste screenshots showing your code and output parts by parts.

  - You also need to submit the jupyter notebook file (with the link above) filled with your answers in the code entry in gradescope.
